## SAUVIGNON VILLA ELENA IGT

	WHITE
	Appellation : I.G.T.
	Grapes Variety : Sauvignon 100%
	Alcohol Vol. : 13 %
	Bottle size : 750 ml
	Region <b>Veneto</b>

All wines benefit from a large, temperature fluctuation between day and night ideal for the development of flavor and complexity. After harvest, the grapes go into stainless steel, beginning with temperature-controlled, fermentation in stainless steel tanks, then spending the next five months in stainless. Finally, the wine is held in bottle for 5–6 months before release to develop its further character and complexity

Sensory analysis Bright, pale yellow in color, the nose displays delicate, herbaceous, tomato leaf aromas with notes of pepper, menthol. It opens up to reveal aromas of ripe fruit, a white peach with hints of tropical fruit. In the mouth the wine echoes the nose with an underlying, citrusy character, crisp acidity and perfect balance.

Pairings Goat cheese, beets, asparagus, seafood and shellfish. Serve at 12 –14 C.

## CORTE MOSCHINA

We became the worthy representatives of the traditional Italian character thanks to the love for the territory, the passion for authenticity, the years' work which has been handed down from one generation to another and the will to be the best version of ourselves. Our history is the result of the connection between past and future. It has been possible through the dedication and the will to tell others about our tradition, not with words, but with flavours, colours and scents: of wine.
