Pinot Grigio is the most famous white grape variety of Italy and is currently one of the most popular wine styles to drink in the world. The grape itself is closely related to Pinot Noir, and characterised by a greyish blue tinge in the grape skins.

The wine is clean, crisp while preserving all of the delicate citric fruits that represent the classic Pinot Grigio flavour. Our Pinot Grigio is dry, refreshing and we recommend it to be served chilled (10-12° C or 50-55° F) with vegetarian, light seafood or white meat dishes.

Ageing potential: up to 1 year
