## PROSECCO D.O.C. TREVISO MILLESIMATO - CONSOLI -

Denomination : **D.O.C.**  
Color : **White**  
Alcohol content : **11% Vol.**  
Bottle size : **750 ml**  
Production area : **Veneto**

Consoli millesimato prosecco is light, refreshingly effervescent and well-balance. Just the right touch of dryness makes it especially friendly and pleasant to the taste, initially cool and soft on the palate with fine bubbles, then giving way to fruity traces of peach and pear.

Prosecco is a popular before dinner drink (aperitivo), but it can also be served throughout the meal especially with seafood, light salads, tempura and sushi.
