This wine is made from Merlot and Syrah grapes.

The harvest of these grapes is carried out during the September and we make a very fast maceration with skin (4 hours) and then we press it. The fermentation and refining are made in stainless steel tank to preserve the freshness. The results is a light pink wine, very nice for aperitif but also with starters and fish dish.

CORTE MOSCHINA

We became the worthy representatives of the traditional Italian character thanks to the love for the territory, the passion for authenticity, the years' work which has been handed down from one generation to another and the will to be the best version of ourselves. Our history is the result of the connection between past and future. It has been possible through the dedication and the will to tell others about our tradition, not with words, but with flavours, colours and scents: of wine.
