Grape Varieties

Corvina 20%, Merlot 40%, Cabernet 40%

Vinification

The Corvina, Merlot and Cabernet grapes, selected and hand harvested with great care. The vinification process takes place in separate steel tanks at controlled temperature of 25-28°C for 20 days. Maturation in large cherry barrels (at second use) for 3 months. Afterwards the grapes are blended and malolactic fermentation follows to harmonize and soften the wine.

Style

Deep ruby red in colour. The nose has intense aromas of red berries with hints of spices. The palate is balanced with velvety tannins, and it has a soft and round finish.

Food Pairings

Great with red meat and game or with aged cheese.
